RESEARCH GRANTS COUNCIL

Application for Allocation from the Collaborative Research Fund (CRF) 2025/26 Collaborative Research Equipment Grant

Full Proposal

- Please read the "Overview and Guidance Notes (CRF) Full Proposals" carefully before completing this form.
- All project information must follow the format specified in the application form. Failure to comply with the application format and/or the allowable page may lead to disqualification of the proposal.
- To safeguard the interests of the researcher and the university, the awardee university bears the primary responsibility for prevention, detection and investigation of research misconduct, including but not limited to misuse of funds, data falsification, plagiarism and double-dipping. The university is strongly encouraged to vet the grant applications using anti-plagiarism software before submitting them to the RGC.

PART I SUMMARY OF THE RESEARCH PROPOSAL

[To be completed by the applicant(s).]

1. Particulars of the Project

(a) (i) Name and Academic Affiliation of Applicants:

				Current		
				Member of		
				UGC/		Number of
				RGC/		Hours Per
				Subject	UGC/	Week to
	Open			Panel/	RGC/	be spent
	Researcher			Committee	Name of	by the PC

PART II DETAILS OF THE EQUIPMENT PROPOSAL [To be completed by the applicant(s).]

RESEARCH DETAILS

1.	Impact and objectives
	(a) Project objectives (in point form and 800 words at maximum)
	1.
	2. 3.
	(b) Pathways to Impact Statement <i>(not exceeding two A4 pages)</i> [Please refer to the "Overview and Guidance Notes (CRF) – Full Proposals" on what is expected in the Pathways to Impact Statement.]
	maximum of 12 A4 pages in total in standard RGC format for Section 2(I), 2(II)(a) to
	below.]
2.	(I) <u>Background of proposal and motivation</u>
	(II) Project Description
	(a) Equipment acquisition plan (including list of vendors, quotations, delivery time and any further development plan, etc.)
	(b) Brief descriptions of research projects (1/2 A4 pages in RGC standard format or less for each project) to be supported by the equipment
	(c) Is the equipment to be placed in a shared facility?
	No.
	Yes. Please describe potential users other than Co-PIs (e.g., industrial users), and give plans for facility management and user training
	(d) Describe briefly the amount and type of space, e.g., clean room, wet lab, computing lab, and essential infrastructure, e.g. fume hoods, computer networks, etc., available for housing the equipment. Note that this grant may not be used for the construction or

remodeling of the lab space, nor for the installation of the proposed equipment.

(e) Please describe governance and sustainability plan for the equipment and the maintenance plan for the anticipated useful life of the equipment.

- (f) A one-page Gantt chart showing the project activities
- (g) Reference (a maximum of three pages for references is allowed for listing the publications cited in Section 2. All full references should be provided, including all authors of each reference.)

RGC Ref No.
RGC Ref

COLLABORATION PLAN

6. Particulars of PC and Co-PIs

(a) Curriculum vitae (CV) of applicant(s)

[For the PC and each Co-PI, please attach a CV (either a maximum of **two A4 pages** of PDF document in standard RGC format or a maximum of 800 words for direct input in the text box per person in the following format.]

- (i) Name:
- (ii) Academic qualifications:
- (iii) Previous academic positions held (with dates):
- (iv) Present academic position:
- (v) Previous relevant research work:
- (vi) Publication records*[Please refer to "Overview and Guidance Notes (CRF) Full Proposals" Part II Section 6 for the format required by the RGC.]:
 - Section A Five most representative publications in recent five years
 - Section B Five representative publications beyond the recent five-year period with the latest publication entered first.
- (vii) Others (please specify):
- * Full citation of the publication should be provided. For example: it could be in the format "Author name(s) in the order as presented in the original publication with relevant researcher in bold. 'Title of Article' Title of Journal (Year); Volume (Issue): Pages"
- (b) Plan(s) for collaboration in this application:

[Indicate the role and the specific task(s) the PC and each Co-PI is responsible for. Project teams are encouraged to elaborate in their proposals on the linkage between various research elements and collaboration among the team members apart from stating their roles in the proposed project, e.g. how collaboration could enhance the synergy, achievements and delivery of the project.]

(A maximum of two A4 pages in standard RGC format with a maximum of 800 words)

[Letter(s) of collaboration should be attached to Section 11.]

I confirm that the Co-PI(s) listed in the proposal have explicitly agreed to serve
in the project team and a copy of the proposal has been provided to each of the
Co-PIs. Letter(s) of collaboration from the Co-PI(s) is/are attached to
Section 11. I shall provide further documentary proof on the collaboration upon
the request of the RGC/the Secretariat.

CRF(E)1 (June 25)	RGC Ref No.

<u>DECLARATION OF TIME COMMITMENTS, SIMILAR EQUIPMENT, RELATED PROPOSALS/RESEARCH WORK & GRANT RECORD</u>

[Please refer to "Overview and Guidance Notes (CRF) – Full Proposals" for information required and implications for non-disclosure of related proposals.] [If you have difficulty in making the declaration, please explain.]

Please add a new table for each research work

7. (A) Declaration of time commitments

The PC is required to provide the numbers of:

- (i) on-going individual research projects currently held by him/her in any capacity (e.g. Principal Investigator, Co-Investigator (Co-I), Collaborator, etc.); and
- (ii) on-going collaborative research projects currently held by him/her in any capacity (e.g. PC, Co-PI, Co-I, Collaborator, etc.).

If the number declared in (i) exceeds **THREE OR** the number declared in (ii) exceeds **TWO**, please provide the following information:

- (i) overall amount of time spent on research in percentage terms; and
- (ii) justifications on how he/she would be able to take up this additional research project if funded while maintaining the research quality.

(B) Declaration of similar equipment

Is there	similar equipment being set up or already set up elsewhere in Hong Kong?
	Yes No No
If yes, 1	please give the following details –
(i)	Please provide brief information on the similar equipment, including location, ownership and funding source, and justification for the proposed equipment in this application:
(ii)	If this similar equipment is related to projects by the PC/Co-PI(s)/the collaborator(s), please give a brief account including name of coordinators/investigators, departmental and institutional affiliation, project title(s) and nature of the project(s):

CRF(E)1 (June 25)	RGC Ref No.

8. Grant Record of Project Coordinator/Co-Principal Investigators

(a) PC – Details of research work undertaken and proposals submitted by the PC (in a PC/PI or Co-PI/Co-I capacity) including

- (i) completed research work funded from all sources (irrespective of whether from the UGC/RGC) in the past five years;
- (ii) on-going research work funded from all sources (including work funded but yet to commence; irrespective of whether from the UGC/RGC);
- (iii) proposals pending funding approval (irrespective of whether submitted to the UGC/RGC); and

No. of on-going research projects being held by PC:	
	Details
(1) Project/Proposal Ref. No. (if any)	
(2) Project Title	
(2) Hoject Title	
(2) P : (01: 4:	
(3) Project Objectives	
(4) Status	Completed/On-going/ Pending funding approval
(5) Capacity	PC/PI/Co-PI/Co-I
(6) Funding Source(s) and Amount(\$)	
(7) Start Date and (estimated) Completion Date (if applicable)	

(8) Number of Hours Per Week Spent by

the PC in Each On-going Project*

(9) Related to the current application If yes, provide the details in table under (iv) below Related/NA

(iv) any related research work that is being/has been conducted in relation to the proposal (irrespective of whether from the UGC/RGC and not limited to the past five years), including but not limited to data collection, preliminary research, working papers, publications (such as journal papers, conference papers and books, etc.), presentations, media interviews and other submitted proposals, etc. Please provide the details of the related research work (such as the title of the projects and/or papers/publications, or a brief description of the preliminary research work, etc.) whether or not

CRF(E)1 (June 25)	RGC Ref No.

such work was part of a funded project; and provide clarifications that distinguish that related research work from the work requested to be funded through this proposal. Any researcher who fails to disclose any related research work that is being/has been conducted in relation to the proposal will be subject to disciplinary action.

		Details
	Please provide the details on whether or not such related research work was part of a funded project; and provide clarifications that distinguish that related research work from the work required to be funded through this proposal (a maximum of 400 words)	
	* The PC is not required to report on the General Research Fund/Joint Research S	1 1 7
(b)	Co-PI(s) – Details of research work underta Co-PI (in a PC/PI or Co-PI/Co-I capacity) ind	
	(i) on-going research work funded from but yet to commence; irrespective	om all sources (including work funded of whether from the UGC/RGC);
	(ii) proposals pending funding approve the UGC/RGC); and	al (irrespective of whether submitted to
	Name of Co-PI concerned:	
	No. of on-going research projects being he	ld by the Co-PI:
		Details
	(1) Project/Proposal Ref. No. (if any)	
	(2) Project Title	
	(3) Capacity	PC/PI/Co-PI/Co-I
	(4) Status	On-going/Pending funding approval
	(5) Funding Source(s) and Amount(\$)	
	(6) Start Date and (estimated) Completion Date (if applicable)	
	(7) Number of Hours Per Week Spent by	

the Co-PI in Each On-going Project*

(8) Related to the current application If yes, please provide the details in table under (iii) below

Related/NA

(iii) any related research work that is being/has been conducted in relation to the proposal (irrespective of whether from the UGC/RGC and not limited to the past five years), including but not limited to data collection, preliminary research, working papers, publications (such as journal papers, conference papers and books, etc.), presentations, media interviews and other submitted proposals, etc. Please provide the details of the related research work (such as the title of the projects and/or papers/publications, or a brief description of the preliminary research work, etc.) whether or not such work was part of a funded project; and provide clarifications that distinguish that related research work from the work requested to be funded through this proposal. Any researcher who fails to disclose any related research work that is being/has been conducted in relation to the proposal will be subject to disciplinary action.

			1
11	et	01	Ιc
IJ	υı	aı	18

Please provide the details on whether such related research work was part of a funded project; and provide clarifications that distinguish that related research work from the work requested to be funded through this proposal (a maximum of 400 words)

- * The Co-PI is not required to report on the time spent in the capacity of Co-I in General Research Fund/Joint Research Schemes projects funded by the RGC.
- (c) Major research output of previously funded projects

Major Research output of previously funded projects (the UGC/RGC and non-UGC/RGC sources), in descending chronological order, undertaken by the PC and Co-PI(s) relevant to this application.

[Attach a summary (a maximum of 400 words in standard RGC Format, one summary
per application) on the progress/publications/conferences/student-training or output in
any other formats of the projects, with the relevant project reference no.]

CRF(E)1 (June 25) Page 15

The PC undertakes to include in the completion report the URL links to the university's repository or the publishers' websites so that the public could have quick and easy access to the manuscripts or journal articles. The PC will also consider to include in the completion report the data repository where research data of the project could be accessed and shared, where appropriate.

The PC also undertakes that upon acceptance of a paper for publication:

- (i) he/she will check whether the publisher already allows (A) full open access to the publisher's version, or (B) his/her depositing a copy of the paper (either the publisher's version or the final accepted manuscript after peer-review) in the university's repository for open access;
- (ii) if both (i) (A) and (B) are not allowed, he/she will request the publisher to allow him/her to place either version in his/her university's repository for restricted access immediately upon publication or after an embargo period of up to twelve months if required by the publisher; and
- (iii) subject to the publisher's agreement on (i) or (ii) above, he/she will deposit a copy of the publication in his/her university's repository as early as possible but no later than six months after publication or the embargo period, if any.

11. Education Plan, Letters of Collaboration and Supporting Documents

(i) Appendix I: Education Plan

Describe how the PC will leverage the research in an educational context with a view to strengthening the teaching-research integration. As there may be different expectation within different disciplines, a wide range of educational activities will be acceptable.

(a maximum of one A4 page in standard RGC Format)

- (ii) Appendix II: Proposed Changes to Information Submitted at Preliminary Proposal Stage with Detailed Justification (Optional)
- (iii) Appendix III: Collaboration Letters (Please combine all letters in a single PDF file)
- (iv) Appendix IV: Other Supporting Documents
 (A maximum of 20 words to caption each document)

CRF(E)1 (June 25)	RGC Ref No.

12. <u>Undertaking of the Project Coordinator (PC)</u>

By submitting the application, I also undertake that the research activity(ies)/expenditure(s) of the project if funded will be carefully monitored for its/their compliance with applicable laws, health and safety guidelines and ethical standards.

Signature	:	
Name of Project Coordinator	:	
		(in BLOCK letters)
Designation	:	
University	:	
Date	:	

We certify that we have completed this application in accordance with the "Overview and Guidance Notes (CRF) – Full Proposals". The information given is complete and accurate to the best of our knowledge. In addition, the PC herewith confirms that he/she has obtained the explicit consent of all the parties in Part I(a) to collaborate in the proposed research and he/she would be required to provide documentary proof on the collaboration if necessary. In addition, the PC confirms that a copy of the proposal has been provided to each of the Co-PIs and that he/she had made the proposal available to all the Co-PIs for making declaration. The PC fully understands the failure to comply with any of the RGC's requirements may lead to disqualification of the application and/or other debarment of applying future UGC/RGC grants for a certain period of time.

PART III UNIVERSITY'S ENDORSEMENT AND DECLARATION **OF** RESEARCH ETHICS/SAFETY

(To be completed by the appropriate authority of the PC's university. The university should confirm that it has evaluated and given support to the application before submission to the RGC.)

UNIVERSITY'S ENDORSEMENT

(* Please tick ' $\sqrt{}$ ' as appropriate in the boxes)

1. Staff eligibility requirement for CRF CREG

I co

(d)

onfiri	m that:				
(a)	the application has been evaluated and endorsed by the university for submissito the RGC;				
(b)	the PC, in the staff grade_, meets fully the stipulated staff eligibility requirement for CRF and is not debarred from applying for CRF grant;				
	[where the PC is newly appointed, the university has formally entered into a contract of service with him/her on or before the deadline of application and the contract requires him/her to report for duty on or before 1 September 2025.]				
(c)	the PC is will be primarily engaged in and spending at least 80% of time in degree or higher degree work at the university; or				
	the PC is/will be seconded to work at the following Innovation and Technology (I&T) clusters at the Hong Kong Science Park with effect from (mm/yyyy)				
	Health@InnoHK				
	AIR@InnoHK				
	the PC is/will be seconded to conduct research in a university or a research institute/body/agency in the Mainland/overseas jurisdiction with effect from				
	[Name of university/research institute/body/agency: Region/Country:]				

If the PC is/will be employed on a fixed term contract, the PC will still be eligible for a CRF grant at the time of the funding award being made in December 2025/January 2026 and throughout the whole project period.]

the PC is/will be employed on permanent term

the PC is/will be employed on fixed term contract

Page 18 CRF(E)1 (June 25)

CRF(E)1	(June 25) RGC Ref No.
(e)	the PC is/will be a visiting scholar
	the PC is NOT a visiting scholar
	[where the PC is a visiting scholar, he/she has a full-time employment with the university covering the whole project period.]
(f)	the applicant will have the number of hours per week as declared in Part I Section 1(a) to supervise the proposed project without prejudice to his/her existing commitment in other research work, teaching and administrative duties;
(g)	the university will inform the RGC <u>as soon as</u> the PC ceases to be eligible to apply, receive or hold a CRF grant, and will withdraw the application; or once funded and commenced, recommend to the RGC for approval of a suitable new PC, if any, to take over the funded project. The university understands that failure in identifying a suitable new PC or obtaining approval from the RGC for change of PC will result in termination of the funded project; and
(h)	the university understands that the CRF grant, if given, will be withdrawn if the project does not start by 30 June 2026 without justification to the satisfaction of the RGC. The university should report to the RGC as soon as possible when a PC proceeds on no-pay leave/professional leave for a continuous or cumulative period exceeding 183 days within the project period.
<u>UN</u>	IVERSITY'S COMMITMENTS
2. \$	Support to PC and Students
I co	onfirm that:
(a)	adequate supervision, research facilities and training provisions
	will
	will not
	be in place to meet the need of RPg student(s) so employed under the research grant if this application is supported by the RGC.
	no RPg student will be trained in this proposed project
	not applicable

			approval not required.			

CRF(E)1 (June 25)						
(iii) the approval of the appropriate authority(ies) is/are not required or has been/will be obtained in respect of the following:				r has		
				Approval not required	Approval being sought	Approval obtained
		(i)	Animal research ethics			
		(ii)	Biological safety			
		(iii)	Ionising radiation safety			
		(iv)	Non-ionising radiation			
		(v)	safety Chemical safety			
(b)	(b) Access to Government/Official/Private Data and Records I have examined the research proposal and confirm that (i) the approval of the appropriate authority(ies) is/are: required not required					
	(ii)	the approval of the appropriate agency(ies) has been/will be obtained in respect of the following:				
		<u>List</u>	of agency(ies)	Approval not required	Approval being sought	Approval obtained

For (a) and (b) above, except human research ethics (clinical), where such approval is required but has not yet been obtained, the university will ensure that it will be obtained without delay. The university understands that if no confirmation of such approval is provided to the RGC by 29 September 2025, the RGC will regard this CRF application as being withdrawn and will stop further processing it.
