Notes :

- Figures on undergraduate programmes also include first-year student intakes of non-first-year-first-degree programmes.
- Research Postgraduate (RPg) figures only include students who are funded by UGC.
- Since some UGC-funded programmes are mapped to more than one academic programme category (APC), students of these programmes are counted across the APCs concerned on a pro rata basis. Thus the student numbers of some APCs are decimal figures. In the above table, the relevant figures are rounded to the nearest whole number. As such, figures may not add up to the corresponding totals, and the zero figure represents magnitude of less than 0.5.
- '-' denotes 'nil'.
- FT : Full-time
PT : Part-time
- SD : Sub-degree
Ug : Undergraduate
- TPg : Taught Postgraduate
RPg : Research Postgraduate
