

研究資助局  
Research Grants Council

*Early Career Award*

大學教育資助委員會  
University Grants Committee

*ECA Awardee 2022/23*

Prof Lin FU

傅林教授

*Department of Mechanical and Aerospace Engineering  
Department of Mathematics*

*The Hong Kong University of Science and Technology*

Project Title:

**A high-order and high-fidelity scale-resolving aerodynamic prediction framework for transonic flows**

*ECA Awardee 2022/23*

Dr Catherine Ellen HARDIE

何甘霖博士

*Department of Translation, Interpreting and  
Intercultural Studies  
Hong Kong Baptist University*

Project Title:

Exploring contemporary Han Chinese monastic religiosities in  
mainland China's Sino-Tibetan Buddhist landscape

*ECA Awardee 2022/23*

Dr Ruby Yuen-shan LAI

黎苑姍博士

*Department of Sociology and Social Policy*

*Lingnan University*

Project Title:

**Gendering Informal Housing: Intersectional Inequalities and the Resilience of Families Living in Subdivided Units in Hong Kong**

*ECA Awardee 2022/23*

Dr Qiang LIU

劉強

*Department of Neuroscience*

*City University of Hong Kong*

Project Title:

Decoding the worm brain - Comprehensive biophysical mapping and modeling of the C. elegans nervous system

*ECA Awardee 2022/23*

Dr Wai-lun MAN

文偉倫博士

*Department of Chemistry*

*Hong Kong Baptist University*

Project Title:

Mechanistic Investigation of Iridium-Catalyzed Oxidation of Water and Ammonia

*ECA Awardee 2022/23*

Dr Yoonsang SONG

宋潤相博士

*School of Humanities*

*The University of Hong Kong*

Project Title:

EEG investigation of morphologically complex word processing in a second language

*ECA Awardee 2022/23*

Prof Kenward King-ho VONG

黃敬皓教授

*Department of Chemistry*

*The Hong Kong University of Science and Technology*

Project Title:

Developing mechanisms of zymogen activation for applications in cancer sensing and artificial metalloenzymes
