Date	:	_____

7. Brief Curriculum Vitae (CV) for Applicants

[Please attach a one-page curriculum vitae, in standard RGC format, for the PC and each Co-PI.]

We certify that we have completed this application in accordance with the requirements of RGC. The information given is complete and accurate to the best of our knowledge. In addition, the PC herewith confirms that he/she has obtained the consent of all the parties in Part I(a) to collaborate in the proposed research. The PC fully understands that failure to comply with any of RGC’s requirements may lead to disqualification of the application and/or other debarment of applying for future UGC/RGC grants for a certain period of time.

PART II UNIVERSITY'S ENDORSEMENT

[To be completed by the appropriate authority of the PC's university. The university should confirm that it has evaluated and given support to the application before submission to RGC, and verify that the PC fully meets the criteria for and is not debarred from applying for UGC/RGC funds. Before giving the various confirmations required, the university should satisfy itself that the PC in all respect meets the requirement of RGC and can complete the project, if funded. It is also required to report to RGC immediately if the PC subsequently becomes ineligible for the grant.]

(* Please tick '√' as appropriate in the boxes)

1. Staff eligibility requirement for CRF

I confirm that:

- (a) the application has been evaluated and endorsed by the university for submission to RGC;
- (b) the PC, in the staff grade _____, meets fully the stipulated staff eligibility requirement for CRF and is not debarred from applying for CRF grant;

[where the PC is newly appointed, the university has formally entered into a contract of service with him/her on or before the submission deadline of the preliminary proposal and the contract requires him/her to report for duty on or before 1 September 2024.]

- (c) the PC is/will be primarily engaged in and spending at least 80% of time in degree or higher degree work at the university; **or**

the PC is/will be seconded to work at the following Innovation and Technology (I&T) clusters at the Hong Kong Science Park with effect from _____ (mm/yyyy)

Health@InnoHK

AIR@InnoHK

the PC is/will be seconded to conduct research in a university or a research institute/body/agency in the Mainland/overseas jurisdiction with effect from _____

[Name of university/research institute/body/agency: _____
Region/Country: _____]

- (d) the PC is/will be employed on permanent term; or
- the PC is/will be employed on fixed term contract

[If the PC is/will be employed on a fixed term contract, the PC will still be eligible for a CRF grant at the time of the funding award being made in December 2024/January 2025 and throughout the whole project period.]

- (e) the PC is/will be a visiting scholar; or
 the PC is NOT a visiting scholar

[If the PC is a visiting scholar, he/she has a full-time employment with the university covering the whole project period.]

- (f) the applicant will have the number of hours per week as declared in Part I to supervise the proposed project without prejudice to his/her existing commitment in other research work, teaching and administrative duties;
- (g) the university will inform RGC as soon as the PC ceases to be eligible to apply, receive or hold a CRF grant, and will withdraw the application; or once funded and commenced, recommend to RGC for approval of a suitable new PC, if any, to take over the funded project. The university understands that failure in identifying a suitable new PC or obtaining approval from RGC for change of PC will result in termination of the funded project; and
- (h) the university understands that the CRF grant, if given, will be withdrawn if the project does not start by 30 June 2025 without justification to the satisfaction of RGC. The university should report to RGC as soon as possible when a PC proceeds on no-pay leave/professional leave for a continuous or cumulative period exceeding 183 days within the project period.

2. University's commitments

I confirm that:

- (a) the research project under this CRF application

is
 is not

in line with the role of the university;

- (b) the university will provide matching funding on a 50% (RGC)/50% (university) basis on the total project cost and satisfactory arrangements will be worked out among the institutions concerned for the ownership and management of the equipment/facilities, if funded, and for meeting the recurrent costs; and

- (c) this application
