<sup>1</sup> A two-sided A4 page will be counted as two pages.

**PART II DETAILS OF THE RESEARCH PROPOSAL**

[To be completed by the applicant(s).]

**RESEARCH DETAILS****1. Impact and objectives**

(a) Project objectives (*in point form and 800 words at maximum*)

- 1.
- 2.
- 3.

(b) Pathway to Impact Statement (*not exceeding two A4 pages*)

[Please refer to the “Overview and Guidance Notes (CRPG & CREG) – Full Proposals” on what is expected in the Pathways to Impact Statement]

**2. Background of research, research plan and methodology**

[A maximum of 10 A4 pages in total in standard RGC format for items (a) and (b)]

(a) Background of research

(b) Research plan and methodology

(c) A one-page Gantt chart showing the research activities

(d) A maximum of two non-text pages of attached diagrams, photos, charts, and table etc., if any.

(e) Reference (a maximum of three pages for references is allowed for listing the publications cited in Sections 2(a) – 2(b). All full references should be provided, including all authors of each reference.)

**PROJECT FUNDING****3. Cost and justification**

(a) Estimated cost and resource implications:

OR

(iii) I declare that all or some of the equipment (please provide details in the following text box) indicated in Section 3(a)(A)(ii) above is available in the university but cannot be used by me in view of the following reasons (a maximum of 500 words)

Reasons: (a maximum of 500 words)

## (c) Declaration on high-performance computing services

(i) No procurement of high-performance computing services is required

OR

(ii) I declare that the high-performance computing services indicated in Section 3(a)(B)(vi) above is not available in the university

OR

(iii) I declare that all or some of the high-performance computing services (please provide details in the following text box) indicated in Section 3(a)(B)(vi) above is available in the university but cannot be used by me in view of the following reasons (a maximum of 500 words)

Reasons: (a maximum of 500 words)

## (d) Declaration on the research-related software licence / dataset

(i) No procurement of research-related software licence / dataset is required

OR

(ii) I declare that the research-related software licence / dataset indicated in Section 3(a)(B)(vii) above is not available in the university

OR

(iii) I declare that all or some of the research-related software licence / dataset (please provide details in the following text box) indicated in Section 3(a)(B)(vii) above is available in the university but cannot be used by me in view of the following reasons (a maximum of 500 words)

Reasons: (a maximum of 500 words)

**4. Existing facilities and major equipment available for this research project**

(a maximum of 400 words)

COLLABORATION PLAN**6. Particulars of PC and Co-PIs**

## (a) Curriculum vitae (CV) of applicant(s)

[For the PC and each Co-PI, please attach a CV (either a maximum of **two A4 pages** of PDF document in standard RGC format or a maximum of 800 words for direct input in the text box per person in the following format.)]

- (i) Name:
- (ii) Academic qualifications:
- (iii) Previous academic positions held (with dates):
- (iv) Present academic position:
- (v) Previous relevant research work:
- (vi) Publication records\*[Please refer to “Overview and Guidance Notes (CRPG & CREG) – Full Proposals” Part II Section 6 for the format required by RGC]:  
Section A - Five most representative publications in recent five years  
Section B - Five representative publications beyond the recent five-year period with the latest publication entered first.
- (vii) Others (please specify):

\* Full citation of the publication should be provided. For example: it could be in the format “Author name(s) in the order as presented in the original publication with relevant researcher in bold. ‘Title of Article’ Title of Journal (Year); Volume (Issue): Pages”

## (b) Plan(s) for collaboration in this application:

[Indicate the role and the specific task(s) the PC and each Co-PI is responsible for. Project teams are encouraged to elaborate in their proposals on the linkage between various research elements and collaboration among the team members apart from stating their roles in the proposed project, e.g. how collaboration could enhance the synergy, achievements and delivery of the project.]

(A maximum of two A4 pages in standard RGC format with a maximum of 800 words)

Letter(s) of collaboration should be attached to Section 11]

- I confirm that the Co-PI(s) listed in the proposal have explicitly agreed to serve in the project team and a copy of the proposal has been provided to each of the Co-PIs. Letter(s) of collaboration from the Co-PI(s) is / are attached to Section 11. I shall provide further documentary proof on the collaboration upon the request of RGC/the Secretariat.

## DECLARATION OF TIME COMMITMENTS, RELATED PROPOSALS / RESEARCH WORK & GRANT RECORD

[Please refer to “Overview and Guidance Notes (CRPG & CREG) – Full Proposals” for information required and implications for non-disclosure of related proposals]

[If you have difficulty in making the declaration, please explain]

Please add a new table for each research work

### **7. Declaration of time commitments**

The PC is required to provide the numbers of:

- (i) on-going individual research projects currently held by him / her in any capacity (e.g. Principal Investigator, Co-Investigator (Co-I), Collaborator, etc.); and
- (ii) on-going collaborative research projects currently held by him / her in any capacity (e.g. PC, Co-PI, Co-I, Collaborator, etc.).

If the number declared in (i) exceeds **THREE OR** the number declared in (ii) exceeds **TWO**, please provide the following information:

- (i) overall amount of time spent on research in percentage terms; and
- (ii) justifications on how he / she would be able to take up this additional research project if funded while maintaining the research quality.

### **8. Grant Record of Project Coordinator / Co-Principal Investigators**

- (a) PC - Details of research work undertaken and proposals submitted by the PC (in a PC / PI or Co-PI / Co-I capacity) including
  - (i) completed research work funded from all sources (irrespective of whether from UGC / RGC) in the past five years;
  - (ii) on-going research work funded from all sources (including work funded but yet to commence; irrespective of whether from UGC / RGC);
  - (iii) proposals pending funding approval (irrespective of whether submitted to UGC / RGC); and

No. of on-going research projects being held by the PC:

- \* The Co-PI is not required to report on the time spent in the capacity of Co-I in General Research Fund / Joint Research Schemes projects funded by RGC.

(c) **Major research output of previously funded projects**

Major Research output of previously funded projects (UGC / RGC and non-UGC / RGC sources), in descending chronological order, undertaken by the PC and Co-PI(s) relevant to this application.

[Attach a summary (a maximum of 400 words in standard RGC Format, one summary per application) on the progress / publications / conferences / student-training or output in any other formats of the projects, with the relevant project reference no.]

ANCILLARY INFORMATION

**9. Research Ethics / Safety Approval and Access to Government / Official / Private Data and Records**

[Please refer to “Overview and Guidance Notes (CRPG & CREG) – Full Proposals” Part II Section 9 for the responsibilities and implications]

(a) Research Ethics / Safety Approval

- (i) I confirm that the research proposal  involves /  does not involve human subjects.
- (ii) I confirm that the research proposal  involves /  does not involve the study of artefacts.

(iii) Please tick '✓' in the appropriate boxes to confirm if approval for the respective ethics and / or safety issues is required and has been / is being obtained from the PC's university. PCs are encouraged to seek necessary approval (except for human research ethics (clinical)) before application deadline as far as possible.

**10. Release of completion report, data archive possibilities and public access of publications resulting from research funded by RGC**

- (a) Is the proposed project likely to generate data set(s) of retention value?

Yes

No

If yes, please describe the nature, quantity and potential use of the data set(s) in future.

- (b) Are you willing to make the data set(s) available to others for reference twelve months after the publication of research results or the completion of this proposed project?

Yes

No

I / We understand that RGC will release the completion report to the public and only considers data archiving requests after the completion of RGC-funded project. RGC has full discretion in funding the archiving requests. Data sets archived with RGC funds will require users to acknowledge the originator and RGC. The originator will also be provided with copies of all publications derived from the use of the data.

The PC undertakes to include in the completion report the URL links to the university's repository or the publishers' websites so that the public could have quick and easy access to the manuscripts or journal articles. The PC will also consider to include in the completion report the data repository where research data of the project could be accessed and shared, where appropriate.

The PC also undertakes that upon acceptance of a paper for publication:

- (i) he / she will check whether the publisher already allows (A) full open access to the publisher's version, or (B) his / her depositing a copy of the paper (either the publisher's version or the final accepted manuscript after peer-review) in the university's repository for open access;
- (ii) if both (i) (A) and (B) are not allowed, he / she will request the publisher to allow him / her to place either version in his / her university's repository for restricted access immediately upon publication or after an embargo period of up to twelve months if required by the publisher; and
- (iii) subject to the publisher's agreement on (i) or (ii) above, he / she will deposit a copy of the publication in his / her university's repository as early as possible but no later than six months after publication or the embargo period, if any.

## **11. Education Plan, Letters of Collaboration and Supporting Documents**

- (i) Appendix I: Education Plan

Describe how the PC will leverage the research in an educational context with a view to strengthening the teaching-research integration. As there may be different expectation within different disciplines, a wide range of educational activities will be acceptable.

(a maximum of one A4 page in standard RGC Format)

- (ii) Appendix II: Technology Transfer Plan (Optional)

Applicants who contemplate applying for funding support from the Government's Innovation and Technology Fund (ITF) at a later stage may provide a technology transfer plan in the full proposal (in one separate page) for advance information of the Information and Technology Commission. This plan will not be assessed by RGC for the purpose of making funding decisions. The technology transfer plan should include information such as:

- (a) Activities to be undertaken to:
  - i. disseminate the R&D deliverables;
  - ii. realise the application of the R&D deliverables in the public sector, i.e. the R&D deliverables being used in government departments, public bodies, trade associations, charitable organisations, etc.; and / or
  - iii. market the R&D deliverables in the commercial world, e.g. target markets and customers.
- (b) Potential industry partners for technology transfer / manufacturing. If possible, please provide information in relation to the future positioning of the product / technology in the market.

- (c) Associated / complementary technology development projects which may synergise with this project for technology transfer. In this case, please give some brief information of such project(s).
- (d) Future plans to apply for ITF to support the applied research component of the proposed project.

(iii) Appendix III: Statement on Public Policy Element (Optional)

To set up a linkage between research projects with a public policy element with the appropriate policy bureaux so that they could be considered for possible implementation, any funded projects with a public policy element would be informed to the Chief Secretary for Administration's Office (CSO) for perusal after announcement of the funding results. This would help formulate innovative policy response that could effectively address societal challenges and is supported.

Applicant who wishes to have his / her project details released to the CSO if his / her application is successful, please provide in one separate page a statement on the public policy element of the project. This statement will not be assessed by RGC for the purpose of shortlisting proposals.

- (iv) Appendix IV: Proposed Changes to Information Submitted at Preliminary Proposal Stage with Detailed Justification (Optional)
- (v) Appendix V: Collaboration Letters (Please combine all letters in a single PDF file)
- (vi) Appendix VI: Other Supporting Documents  
(A maximum of 20 words to caption each document)

**12. Undertaking of the Project Coordinator (PC)**

**By submitting the application, I also undertake that the research activity(ies) / expenditure(s) of the project if funded will be carefully monitored for its / their compliance with applicable laws, health and safety guidelines and ethical standards.**

**We certify that we have completed this application in accordance with the “Overview and Guidance Notes (CRPG & CREG) – Full Proposals”. The information given is complete and accurate to the best of our knowledge. In addition, the PC herewith confirms that he / she has obtained the explicit consent of all the parties in Part I(a) to collaborate in the proposed research and he / she would be required to provide documentary proof on the collaboration if necessary. In addition, the PC confirms that a copy of the proposal has been provided to each of the Co-PIs and that he / she had made the proposal available to all the Co-PIs for making declaration. The PC fully understands the failure to comply with any of RGC’s requirements may lead to disqualification of the application and / or other debarment of applying future UGC / RGC grants for a certain period of time.**

**PART III UNIVERSITY'S ENDORSEMENT AND DECLARATION OF RESEARCH ETHICS / SAFETY**

(To be completed by the appropriate authority of the PC's university. The university should confirm that it has evaluated and given support to the application before submission to RGC.)

**UNIVERSITY'S ENDORSEMENT**

(\* Please tick '√' as appropriate in the boxes)

**1. Staff eligibility requirement for CRF CRPG**

I confirm that:

- (a) the application has been evaluated and endorsed by the university for submission to RGC;
- (b) the PC, in the staff grade \_\_, meets fully the stipulated staff eligibility requirement for CRF and is not debarred from applying for CRF grant;

[where the PC is newly appointed, the university has formally entered into a contract of service with him / her on or before the deadline of application and the contract requires him / her to report for duty on or before 1 September 2024.]

- (c)  the PC is / will be primarily engaged in and spending at least 80% of time in degree or higher degree work at the university; **or**

the PC is / will be seconded to work at the following Innovation and Technology (I&T) clusters at the Hong Kong Science Park with effect from \_\_\_\_\_ (mm / yyyy)

Health@InnoHK

AIR@InnoHK

the PC is / will be seconded to conduct research in a university or a research institute / body / agency in the Mainland/overseas jurisdiction with effect from

[Name of university / research institute / body / agency: \_\_\_\_\_  
Region / Country: \_\_\_\_\_]

- (d)  the PC is/will be employed on permanent term
- the PC is / will be employed on fixed term contract

[If the PC is / will be employed on a fixed term contract, the PC will still be eligible

for a CRF grant at the time of the funding award being made in December 2024 / January 2025 and throughout the whole project period.]

- (e)  the PC is / will be a visiting scholar  
 the PC is NOT a visiting scholar

[where the PC is a visiting scholar, he / she has a full-time employment with the university covering the whole project period.]

- (f) the applicant will have the number of hours per week as declared in Part I Section 1(a) to supervise the proposed project without prejudice to his / her existing commitment in other research work, teaching and administrative duties;
- (g) the university will inform RGC as soon as the PC ceases to be eligible to apply, receive or hold a CRF grant, and will withdraw the application; or once funded and commenced, recommend to RGC for approval of a suitable new PC, if any, to take over the funded project. The university understands that failure in identifying a suitable new PC or obtaining approval from RGC for change of PC will result in termination of the funded project; and
- (h) the university understands that the CRF grant, if given, will be withdrawn if the project does not start by 30 June 2025 without justification to the satisfaction of RGC. The university should report to RGC as soon as possible when a PC proceeds on no-pay leave / professional leave for a continuous or cumulative period exceeding 183 days within the project period.

## **UNIVERSITY'S COMMITMENTS**

### **2. Support to PC and Students**

I confirm that:

- (a) adequate supervision, research facilities and training provisions

will

will not

be in place to meet the need of RPg student(s) so employed under the research grant if this application is supported by RGC.

no RPg student will be trained in this proposed project

not applicable

- (b) the research project under this CRF CRPG application
- is
- is not
- in line with the role of the university;
- (c)  no outsourcing outside Hong Kong is required
- the PC's justification at Part II Section 3(a)(A)(iii) is reasonable and I support the PC's application for outsourcing the stated work outside Hong Kong;
- (d)  no equipment is required
- the PC's declaration and reasons at Part II Section 3(b) are true and correct and I support the PC's request for this procurement of equipment and confirm that the university will provide matching funding on a 50% (RGC)/50% (university) basis on the total cost of the equipment;
- (e)  no high-performance computing services is required
- the PC's declaration and reasons at Part II Section 3(c) are true and correct and I support the PC's request for this subscription of high-performance computing resources;
- (f)  no research-related software licence / dataset is required
- the PC's declaration and reasons at Part II Section 3(d) are true and correct and I support the PC's request for this procurement of the research-related software licence / dataset;
- (g)  this application does not include requests for purchasing normal academic equipment, computer, consumables, postage, fax, stationery, overseas telephone charges, and standard software licence / dataset known to be available or reasonably expected to be provided in the universities concerned;
- (h)  the university undertakes to provide a video clip to publicise the project's research achievements within three months upon satisfactory rating of completion report, if the project is funded; and
