RESEARCH GRANTS COUNCIL

Application for Allocation from
the Collaborative Research Fund (CRF) 2026/27
Application Form for Collaborative Research Project Grant and Renewal Funding

Preliminary Proposal

- Please read the "Overview and Guidance Notes (CRF) – Preliminary Proposals" carefully before completing this form. Section 2 of the Guidance Notes mirrors the application form structure, so will provide you with step-by-step advice on completion.
- The preliminary proposals should provide sufficient information about the proposed project to allow assessment of the main ideas and approaches.
- All project information must follow the format specified in the application form. Failure to comply with the application format and/or the allowable page may lead to disqualification of the proposal.
- To safeguard the interests of the researcher and the university, the awardee university bears the primary responsibility for prevention, detection and investigation of research misconduct, including but not limited to misuse of funds, data falsification, plagiarism, self-plagiarism and double-dipping. The university is strongly encouraged to vet the grant applications using anti-plagiarism software before submitting them to the RGC.

9. Brief Curriculum Vitae (CV) for Applicants

[Please attach a one-page curriculum vitae, in standard RGC format, for the PC and each Co-PI.]

We certify that we have completed this application in accordance with the requirements of the RGC. The information given is complete and accurate to the best of our knowledge. In addition, the PC herewith confirms that he/she has obtained the consent of all the parties in Part I(a) to collaborate in the proposed research. The PC fully understands that failure to comply with any of the RGC's requirements may lead to disqualification of the application and/or other debarment of applying for future UGC/RGC grants for a certain period of time.

PART II UNIVERSITY'S ENDORSEMENT

[To be completed by the appropriate authority of the PC's university. The university should confirm that it has evaluated and given support to the application before submission to the RGC, and verify that the PC fully meets the criteria for and is not debarred from applying for UGC/RGC funds. Before giving the various confirmations required, the university should satisfy itself that the PC in all respect meets the requirement of the RGC and can complete the project, if funded. It is also required to report to the RGC immediately if the PC subsequently becomes ineligible for the grant.]

(* Please tick '√' as appropriate in the boxes)

1. Staff eligibility requirement for CRF

I confirm that:

(a) the application has been evaluated and endorsed by the university for submission to the RGC;

(b) the PC, in the staff grade ____ , meets fully the stipulated staff eligibility requirement for CRF and is not debarred from applying for CRF grant;

[where the PC is newly appointed, the university has formally entered into a contract of service with him/her on or before the submission deadline of the preliminary proposal and the contract requires him/her to report for duty on or before 1 September 2026.]

(c) ☐ the PC is/will be primarily engaged in and spending at least 80% of time in degree or higher degree work at the university; **or**

☐ the PC is/will be seconded to work at the following Innovation and Technology (I&T) clusters at the Hong Kong Science Park with effect from _____ (mm/yyyy)

☐ Health@InnoHK

☐ AIR@InnoHK

☐ the PC is/will be seconded to conduct research in a university or a research institute/body/agency in the Chinese Mainland/overseas jurisdiction with effect from _____

[Name of university/research institute/body/agency: _____
Region/Country: _____]

(d) ☐ the PC is/will be employed on permanent term; or

☐ the PC is/will be employed on fixed term contract;

[If the PC is/will be employed on a fixed term contract, the PC will still be eligible for a CRF grant at the time of the funding award being made in December 2026/January 2027 and throughout the whole project period.]

(e) ☐ the PC is/will be a visiting scholar; or

☐ the PC is NOT a visiting scholar;

[If the PC is a visiting scholar, he/she has a full-time employment with the university covering the whole project period.]

(f) the applicant will have the number of hours per week as declared in Part I to supervise the proposed project without prejudice to his/her existing commitment in other research work, teaching and administrative duties;

(g) the university will inform the RGC as soon as the PC ceases to be eligible to apply, receive or hold a CRF grant, and will withdraw the application; or once funded and commenced, recommend to the RGC for approval of a suitable new PC, if any, to take over the funded project. The university understands that failure in identifying a suitable new PC or obtaining approval from the RGC for change of PC will result in termination of the funded project; and

(h) the university understands that the CRF grant, if given, will be withdrawn if the project does not start by 30 June 2027 without justification to the satisfaction of the RGC. The university should report to the RGC as soon as possible when a PC proceeds on no-pay leave/professional leave for a continuous or cumulative period exceeding 183 days within the project period.

2. University's commitments

I confirm that:

(a) the research project under this CRF application

☐ is

☐ is not

in line with the role of the university;

(b) ☐ the university will provide matching funding on a 50% (RGC)/50% (university) basis on the total equipment cost of the project;

(c) ☐ the university undertakes to provide a video clip to publicise the project's research achievements within three months upon satisfactory rating of completion report, if the project is funded; and

(d) this application

☐ has

☐ has not
