**PART IV DECLARATION OF RELATED PROPOSALS, GRANT AND FELLOWSHIP RECORD**

[To be completed by the nominee]

(a) Declaration on concurrent fellowship<sup>6</sup>:

(i) I declare that I am not holding any fellowship awarded by the UGC/ RGC or other funding agencies. I undertake to seek prior approval of the UGC Secretariat if I plan to hold a concurrent fellowship during the RFS/ SRFS fellowship period.

OR

(ii) I declare that I am currently holding fellowship(s) awarded by the UGC/ RGC or other funding agencies with details as follows-

Funding Agency(ies): \_\_\_\_\_

Name of the Fellowship(s): \_\_\_\_\_

Reference No(s).  
[if applicable] \_\_\_\_\_

Period of the Fellowship(s): \_\_\_\_\_

I understand that there must not be any overlapping of the RFS/ SRFS fellowship period with the project period of any other fellowship(s). I undertake to seek prior approval of the UGC Secretariat if I plan to hold a concurrent fellowship during the RFS/ SRFS fellowship period.

(b) Please provide details in Table 1(a) the research work undertaken and proposals submitted by you (in a PI/ PC or Co-I/ Co-PI capacity) including:

- (i) completed research work funded from all sources (irrespective of whether from UGC/ RGC) in the past five years;
- (ii) on-going research work funded from all sources (irrespective of whether from UGC/ RGC); and
- (iii) proposals pending funding approval from all sources (irrespective of whether from UGC/ RGC).

---

<sup>6</sup> Awardees will be allowed to hold other fellowship(s) concurrently (not applicable to HSSPFS) during the RFS/ SRFS fellowship period only if prior approval of the UGC Secretariat, on a case-by-case basis, has been obtained. Specifically, there must not be any overlapping of teaching relief under any approved concurrent fellowship(s) within the RFS/ SRFS fellowship period. An awardee may submit request for prior approval to hold a concurrent fellowship during the RFS/ SRFS fellowship period under exceptional circumstances. Please refer to the Guidance Notes (RFS-SRFS-2) for the exceptional circumstances.

- (c) You are required to declare **any related research work** (irrespective of whether from UGC/ RGC and not limited to the past five years) that is being/ has been conducted in relation to the proposal, including but not limited to data collection, preliminary research, working papers, publications (such as journal papers, conference papers, books, etc.), presentations, media interviews, other submitted proposals, etc. Please provide the following in Table 1(b):
- (i) details (such as the title of the projects and/ or papers/ publications, or a brief description of the preliminary research work, etc.) whether or not such work was part of a funded project; and
  - (ii) clarifications which distinguish that related research work from the work requested to be funded through this fellowship.

**You will be subject to disciplinary action if you fail to disclose any related research work that is being/ has been conducted in relation to this research proposal.**

## 2. Project Data

(a) Is the proposed project likely to generate data set(s) of retention value?

Yes  No

If yes, please describe the nature, quantity and potential use of the data set(s) in future.

(b) Are you willing to make the data set(s) available to others for reference twelve months after the publication of research results or upon the completion of this proposed project?

Yes  No

I understand that the RGC will release the completion report to the public and only considers data archiving requests after the completion of the RGC-funded project. The RGC has full discretion in funding the archiving requests. Data sets archived with RGC funds will require users to acknowledge the originator and the RGC. The originator will also be provided with copies of all publications derived from the use of the data.

I undertake to include in the project completion report the URL links to the supporting university's repository or the publishers' websites so that the public could have quick and easy access to the manuscripts or journal articles. I will also consider to include in the research completion report the data repository where research data of the project could be accessed and shared, where appropriate.

I undertake that upon acceptance of a paper for publication,

- (i) I will check whether the publisher already allows (A) full open access to the publisher's version, or (B) my depositing a copy of the paper (either the publisher's version or the final accepted manuscript after peer-review) in the supporting university's repository for open access;
- (ii) if both (i)(A) and (B) are not allowed, I will request the publisher to allow me to place either version in my supporting university's repository for restricted access immediately upon publication or after an embargo period of up to twelve months if required by the publisher; and
- (iii) subject to the publisher's agreement on (i) or (ii) above, I will deposit a copy of the publication in my supporting university's repository as early as possible but no later than six months after publication or the embargo period, if any.

transferring a nomination from the supporting university to another UGC-funded university will not be considered;

- (g) the university understands that the fellowship grant, if given, will be withdrawn if the project does not start within 12 months of the announcement of funding result. The university should report to the RGC as soon as possible when a nominee proceeds on no-pay leave/ professional leave for a continuous or cumulative period exceeding 183 days within the project period;
- (h) the collaborator(s) listed in the proposal has/ have explicitly agreed to serve in the project team and a copy of the proposal has been provided to each of the collaborator(s);
- (i) the approval of the appropriate authority(ties) has/ have been or is/ are being obtained in respect of projects involving safety hazards, the use of living animal or human subjects including those in social sciences research (e.g. potential physical or psychological harm, discomfort or stress to human subjects in a research project, subjects' privacy, etc.) and/ or study of artefacts. It should be noted that all nominations must be vetted by the university to ascertain if they involve human subjects. If they do, the university must give approval/ exemption according to the internal ethics guidelines by 15 April 2024 as is the case with other ethics/ safety approval;
- (j) the approval of the appropriate authority(ties) has/ have been or is/ are being obtained in respect of access to data/ records critical to the proposed research. If the university is unable to confirm by 15 April 2024 that the required approval has been obtained, the RGC will stop processing the nomination which will be regarded as to have been withdrawn; and
- (k) the research project under this nomination is in line with the role of the university.

## ***2. Reporting, access to data and publications***

On behalf of all those involved in the project:

- (a) the university agrees to ensure compliance with the RGC's policies on Open Access, data archiving, and the release of project completion report;
- (b) the nominee and the project team are aware of the RGC policy on reporting and release of reports, including that:
  - (i) an awardee is required to release the completion report (containing abstract in non-technical terms, objectives, research output including the list of conference papers/ publications/ journals and research findings and contact information of the awardee) to the public through the RGC website;
  - (ii) an awardee is required to include in the project completion report the URL links to the institutional repositories or the publishers' websites so that the

public can have access to the manuscripts or journal articles. An awardee is also encouraged to include in his/ her research completion report the data repositories where research data of his/ her project could be accessed and shared, where appropriate; and

- (iii) the RGC will release the completion report to the public and only considers data archiving requests after the completion of the RGC-funded project. The RGC has full discretion in funding the archiving requests. Data sets archived with RGC funds will require users to acknowledge the originator and the RGC. The originator will also be provided with copies of all publications derived from the use of the data.
- (c) the nominee and the project team agree that to deliver public access to publications arising from RGC funded research they should, upon acceptance of a paper for publication,
- (i) check whether the publisher already allows either full open access to the publisher's version, OR the author's depositing a copy of the paper (either the publisher's version or the final accepted manuscript after peer-review) in the university's repository for open access;
  - (ii) if neither of these are permitted, the awardee should request the publisher to allow him/ her to place either version in his/ her university's repository for restricted access immediately upon publication or after an embargo period of up to twelve months if required by the publisher; and
  - (iii) subject to the publisher's agreement, the awardee should deposit a copy of the publication in his/ her university's repository as early as possible but no later than six months after publication or the embargo period, if any.

### ***3. Support for staff and other personnel***

I confirm that:

- (a) the nominee is/ will be primarily engaged in and spending at least 80% of time in degree or higher degree work at the university;
- (b) the nominee is/ will be employed as full-time academic staff on tenured/ substantiated terms;
