A maximum of four A4 pages in total, including all attachments and references, in standard RGC format for Sections 4 – 5 below.

4. Proposed Outline of Research Plan and Methodology

5. Collaboration Plan

[Please identify the role and specific task(s) the PC and each of the Co-PIs/partner(s) is responsible for.]

6. Brief Curriculum Vitae (CV) for Applicants

[Please attach a one-page curriculum vitae, in standard RGC format, for the PC and each Co-PI. For organisational partner(s), please also attach a one-page introduction of the organisation.]

7. Applicants' Experience in Collaboration beyond Academia

[Please describe the experience, if any, of the PC and each Co-PI in collaboration beyond academia (250 words for each person).]

8. Supporting statements from potential users of the research, who may be prepared to co-invest or engage in some way in collaborative activity with the PC/Co-PI

[Please attach a maximum of one A4 page from each potential user, up to three pages in total.]

We certify that we have completed this application in accordance with the requirements of the RGC. The information given is complete and accurate to the best of our knowledge. In addition, the PC herewith confirms that he/she has obtained the consent of all the parties in Section 1(a) to collaborate in the proposed research. The PC fully understands that failure to comply with any of the RGC's requirements may lead to disqualification of the application and/or other debarment of applying for future UGC/RGC grants for a certain period of time.

PART II UNIVERSITY'S ENDORSEMENT

[To be completed by the appropriate authority of the PC's university. The university should confirm that it has evaluated and given support to the application before submission to the RGC, and verify that the PC fully meets the criteria for and is not debarred from applying for UGC/RGC funds. Before giving the various confirmations required, the university should satisfy itself that the PC in all respect meets the requirement of RGC and can complete the project, if funded. The university is also required to report to RGC immediately if the PC subsequently becomes ineligible for the grant.]

(* Please tick '√' as appropriate in the boxes)

I confirm the following:

- (a) the application has been evaluated and endorsed by the university for submission to the RGC;
- (b) the PC, in the staff grade _____, meets fully the stipulated staff eligibility requirement for RIF and is not debarred from applying for RGC grant;

[where the PC is newly appointed, the university has formally entered into a contract of service with him/her on or before 1 May 2018 and the contract requires him/her to report for duty on or before 1 November 2018.]

- (c) the PC is/will be employed on permanent term
- the PC is/will be employed on fixed term contract

[If the PC is/will be employed on a fixed term contract, the PC will still be eligible for a RIF grant at the time of the funding award being made in December 2018/January 2019 and throughout the whole project period.]

- (d) the PC is/will be a visiting scholar
- the PC is NOT a visiting scholar

[where the PC is a visiting scholar, he/she has a full-time employment with the university covering the whole project period.]

- (e) the applicant will have the number of hours per week as declared in Part I to supervise the proposed project without prejudice to his/her existing commitment in other research work, teaching and administrative duties;
- (f) the university will inform the RGC as soon as the PC ceases to be eligible to apply, receive or hold a RIF grant, and will withdraw the application; or once funded and commenced, recommend to the RGC for approval of a suitable new PC, if any, to take over the funded project;
- (g) the university understands that the RIF grant, if given, will be withdrawn if the project does not start by 30 June 2019 without justification to the satisfaction of the RGC; or

the PC leaves the UGC sector before the project completion and the universities cannot identify a suitable new PC to take over the project. The university should report to the RGC as soon as possible when a PC proceeds on no-pay leave/professional leave for a continuous or cumulative period exceeding 183 days within the project period;
