Note 1	The total number of outputs for a funding scheme is the simple aggregate of the outputs reported in individual completion / concluding reports of the funded projects submitted by the respective project holders.
Note 2	RGC Postdoctoral Fellowship Scheme supports awardees with an annual stipend for their full-time appointment as postdoctoral fellow (PdF) at a UGC-funded university, rather than providing them with project-specific research grant in the capacity of PI or Co-I. In this regard, research outputs arising directly from projects funded are not applicable to the scheme.
Note 3	There was no evaluation report of any completed events under PSCSG.
Note 4	There was no completion / concluding report of projects funded under RFS and SRFS due for submission in the relevant period.
Note 5	Other research outputs include but not limited to fieldwork trip reports, newspapers commentaries, research handbook developed and public talks / seminars / workshops / exhibitions organised.
